

Dear Mayfield,

You can support JAMS through Give DeKalb County. **Donations will be boosted** with funds from a bonus pool.

In 2020, **Friends of JAMS** is raising funds to provide **books for the new Library** in the Resource Center which was just completed. We aim to provide JAMS students with a library in which they can pursue their interests, do research, and **prepare for future success**.

Kenyan high school students typically do not have access to books, other than class textbooks which they often must share two or three students to one book. A **well-equipped and student-accessible library** is a resource that makes JAMS innovative and **sets a standard of excellence** for western Kenya.

Young women in Kenya will **need excellent education more than ever now**. Help surprise the JAMS students with a new library when they return once the shelter-in-place order is over!

There are **two ways to give**:

1. **[Online HERE](#)** from 12:00 a.m. to midnight **on Thursday May 7**
2. **By mail postmarked between April 16 and May 7**. Visit [Give DeKalb County homepage](#) and download and print a donation form. Or download form here [donation form](#) indicating the organization(s), and donation amount(s), then write a single check for the total amount payable to "DCCF." Mail your check to DeKalb County Community Foundation, 475 DeKalb Avenue, Sycamore, IL 60178.

Many thanks, asante sana, for considering this cause!

Sending all good wishes for good health and good spirits,  
Diana
